*recently, Angie and I spent some time in Italy
with my family.
we enjoyed countless outstanding meals &
bottles of wine.*

*we noticed that each and every “house” wine
poured was easy drinking and delicious no
matter your pallette.*

*upon returning from Italy, we met Paul from
Gooseneck Vineyards.
his personality drew us in.
after tasting his wines,
we agreed they were all easy drinking and
really good.*

*for the first time ever, we are providing
“house wine” ...
but it is a very, very, very fine house.
we hope you enjoy.*
