recently, Angie and I spent some time in Italy with my family. we enjoyed countless outstanding meals & bottles of wine. we noticed that each and every "house" wine poured was easy drinking and delicious no matter your pallette.

upon returning from Italy, we met Paul from Gooseneck Vineyards. his personality drew us in. after tasting his wines, we agreed they were all easy drinking and really good.

for the first time ever, we are providing "house wine" but it is a very, very, very fine house. we hope you enjoy.
